

FARMERS

November 7, 2012

Association Member:

We provide the Summit Park Condominium HOA insurance policy and appreciate the opportunity to serve you. Our goal is for you to understand the protection is provides.

**Policy Information\*\***

Effective Date:	11/05/2012	Interior Coverage:	Included
Building Amount:	\$15,500,000	Deductible:	\$5,000

This policy, according to the association CCR, protects the entire building including the interior building components such as carpets, trim, cabinets, fixtures, improvements, structural alterations and appliances.\*\*

We recommend you obtain a personal condominium policy (HO6) for items not covered under this policy. Your individual policy should include coverages for your building/unit equal to the above deductible amount, personal property, loss assessment coverage, personal liability and any other coverage you deem prudent.

Mortgage companies routinely request certificates of insurance on their interests. Please direct those inquiries to us in writing by email (service@hakesinsurance.com), fax, mail, or in person. Due to the annual volume of changes, we are unable to produce the renewal certificates automatically. You must request a new certificate annually based on the effective date above.

Please contact us with questions regarding this information. Enclosed is a brochure of the personal policy we recommend. If you would like a customized proposal please contact us at your convenience.

We appreciate your business.

Sincerely,

Dan Hakes  
*Your* Financial Services Agent

\*\* The above coverage descriptions are for informational purposes only and do not change the language of the policy in any way.
